

EX.I.T.E. Camp 2018

EXploring Interests in Technology and Engineering Camp

- What?** The EXploring Interests in Technology and Engineering (EX.I.T.E.) summer camp is a fun, dynamic, educational program that allows girls to focus their abilities in the areas of science, technology, engineering, and math. Camp encourages future engagement with these subjects and helps girls discover the range of possibilities that exist through amazing experiments, activities, and mentors. Campers learn how fun these subjects can be and many make friendships that last beyond camp.
- Who?** Middle-school girls with disabilities who are entering grades 6-9 during the 2017 - 2018 school year are encouraged to apply. Previous EX.I.T.E. campers may apply, but priority is given to new campers.
